

Welcome to our September Newsletter where we report on events that happened in August and September which go into the Newsletter which is printed in September, but if I wasn't so slack and printed the Newsletter one Month earlier it would be called the August Newsletter. Just clearing up a few questions from one of our newest and keenest members. Hope that clears the waters a bit Geoffrey.

All jokes aside Geoff Moody has been very active, coming up with some good suggestions to help and improve our club. Recently he has enlisted the help of his son Benjamin to redesign our website. We now have a site which has much more room to store all our information. To help Ben compile the info, we ask all members if they have any ideas, news, views, photos, jokes etc please email them to Ben muse.invincible@gmail.com. The new site will also be invaluable to members in keeping them informed about all that is happening in the club. To access the site go to www.sevri.org.au. We would also like to thank Stumpy Clark for all his efforts of updating the website in the last few years, he will now have more time for fishing, drinking, and doing absolutely stuff all.

Now to our Match report. We saw our Match Play Competition reach the Semi Final stage. Roger Foenander decided to head north to Sydney town for a wild weekend which allowed Phil Barling a walkover and easy passage to the final. The other Semi saw Mick Norrey have a win over a gallant Terry Bryan, who threw everything he could at Mick, but was unable to make any impression, with Mick having a day out.

NEXT MONTH --- THE FINAL

(1) Michael Norrey v (5) Phil Barling: The Fox has a tough task ahead. Mick is in Scintillating form and is the HOT favourite. The wily fox will give it his best. But Mick will be better.

Good luck to both players

Game 6 was all about one player. Michael Norrey was dominant with a score of 66 Net, well clear of the rest of the field. He also cleaned up most of the novelty awards winning NTP 2nd shot 2nd hole, NTP betting hole 3rd, NTP 12th hole, NTP 2nd shot 10th hole and Longest Drive 5th. I think that's about all. Well done Mick.

Lance Millard produced his best game of the season to take out the Runner/up prize with 70 Net. Slowly finding his touch Lance is starting to put some good scores together.

3rd Net also with a score of 70 Net was Col Wenman. Col has done it again, making it into the prizes 3 games in a row. Pity his Bluebaggers couldn't replicate Cols form.

Geoff Moody showed his win last month was no fluke by taking out 4th Net with 72 Net. When you are in a group with The Whale, Boka and Concrete Head, who are giving you heaps, you have to have a thick skin.

Terry Bryan hung in there for 5th Net with 73 Net. Good reward for some good play by the Bear, who stuck to his guns and battled hard.

Welcome back to Tom Hicks. Long time since we've seen Tom, and we are still wondering what he was wearing on his head? Was it a fashion statement or a rug, or a possum. A photo would have been ideal for our new website.

On Saturday 8th and Sunday 9th of August we ventured to Newry for the Traralgon VRI Centre day. As usual we had a great weekend with beautiful winter weather..
